WIE-IEEE SPIT conducted a fun event in the form of a digital scavenger hunt under the name of “Labyrinth”.

The event was open to colleges all over India and witnessed an impressive response. The 4-hour long event was divided into two parts with a total of 20 riddles in the form of password protected PDFs. The teams were divided among the committee members who were the game masters with each member being in charge of around 9 teams. The first round commenced with the first 10 PDFs being sent on the WhatsApp group consisting of all the teams. The teams then set out to putting their brains into solving their riddles and the first few teams could reveal the answers to the 10th within the first 1 hour.

The second round began after a break of 10 minutes, at 5:10 PM. The final scoreboard was released at around 8 PM after the game ended at 7:10 PM. The top 10 teams were recognized on WIE-IEEE SPIT’s official Instagram page story and the top 3 teams were given an Instagram post dedicated to them. The top 5 teams received a Certificate of Appreciation. In a nutshell, Labyrinth was an extremely engaging and fun event in spite of the few inevitable loopholes.
