Report

Event Name: Lead The Life Webinar

Date of Event: 2020-08-07

Place of Event: Google Meet

In-Charge Member: WIE-SPIT

The speaker was Dr. Celia Shahnaz, the Chair of IEEE Bangladesh Section, founder & Chair of IEEE SPS, IAS Bangladesh Chapters, co-founder & vice-Chair of IEEE RAS, SSIT Bangladesh Chapters, Founder, Adviser, Nominations and Appointments Chair, WIE AG, IEEE Bangladesh Section and many more.

On the evening of 7th August, WIE-SPIT organized a webinar to motivate the students to “Lead their Life”, sponsored by IEEE Bombay Section and WIE Bombay section. As we say, “Actions speak louder than words”, she not only made us aware of the power of networking, relations and new ideas but also showed us its impact through her life journey. All ideas, small or big, have the ability to change the world and the littlest and greatest of our steps lead to the progress of humanity.

Her work told a tale of innovation, hard work and achievement. Her inspiring words left all the students deeply encouraged to create and persevere towards the success of their creation. The webinar ended on a high note with the speaker giving the students advice and leaving them encouraged. There were more than 35 students and faculty who attended this talk. All the attendees loved the webinar and we received an overwhelming response. They were motivated and wish to attend such webinars in the future.
