WIE and IEEE Student Committee

To introduce the First Years of SPIT, WIE-IEEE held an orientation on 16th August 2017 at SPIT.

The orientation commenced with Prof.Dayanand Ambawade, Mentor, IEEE-SPIT Student Committee giving general details about IEEE as an International Organization, its structure and various advantages that could be availed as a member of IEEE. Then Saish Desai, former Chairman, IEEE-SPIT, and Prachi Pedhambkar, former PR Head, IEEE-SPIT, shared their experience of being a part of IEEE-SPIT and gave a brief description of the events that they conducted during the previous academic year.

It was followed by Prof. K.T. Talele, Chairman, IEEE Student Affairs (Bombay Section) who emphasized on the participation of the students in IEEE and described the potential of IEEE-SPIT. He believes that it has the power to grow up to be a great organisation, which would facilitate the development of the students.

Later Dr.Prachi Gharpure, Principal, briefed the First Years about IEEE and whatâ€™s in the store for them and what kind of exposure they could get after becoming an IEEE Member.

Shivani Shekhar, Chairperson, WIE- IEEE gave details about WIE and how it is the perfect platform to facilitate the recruitment and retention of women in technical fields. The purpose of the orientation was to make First Years aware about the array of benefits that IEEE and WIE can offer.

IEEE and WIE core were introduced towards the end, who encouraged the First Years to participate in IEEE and WIE as joining in the First Year itself will give them more time to explore their opportunities.
