Report

Event Name: Women Empowerment Themed Dress Code (Celebrating Women's Week)

Date of Event: 2022-03-07

Place of Event: Campus

In-Charge Member: WIE Team

The WIE-IEEE Committee organized an event encouraging the students to wear Women Empowerment themed colored dress code in the wake of commencement of The Women's Week. Students from all branches of the college participated in the event. The students wore the colors of green and purple for the day; green symbolizing hope and purple signifying justice and dignity, it also being the official color of International Women's Day.

The event brought students together to represent the strength of feminism and to give an ode to women's achievements all over the world and to celebrate the eve of International Women's day; a day which marks a call to action for accelerating the gender parity. There was an equally active participation in the event, within boys and girls. The event was very well received among the students.
