Report

Event Name: TECHNO-JOURNAL : A glimpse into the world of technical writing!

Date of Event: 2021-08-01

Place of Event: Google Meet

In-Charge Member: Anupriya Dasgupta

Ms. Ankita Tripathi started the session by explaining what Technical writing and Open-source exactly mean. Then she elaborated on the types of technical writing and the career opportunities for each. She also explained the areas Technical writing aspirants should focus on. She warned them about the problems and blocks they could face in the way.
After this she also had an interactive Q&A session with the participants. She answered all the queries raised. She also shared a few links to assist the students. She also offered opportunities to students to start as a part time/internship in Technical writing.
