## Report

Event Name: A Talk on Process of Educational Research

Date of Event: 2016-10-07

Place of Event: Seminar Hall, Room No.008

In-Charge Member: Mrs. Aarti Karande

IEEE WIE SPIT organized a talk on Process of Educational Research for the BE students of Sardar Patel Institute of Technology. The following aspects of Educational Research were discussed:

- 1)How to write a research paper
- 2)Selection and formulation of a proper statement

This workshop was conducted on 7th October, 2016 in room no. 008-Sardar Patel Institute Of Technology. The workshop was taken by Dr. Prachi Gharpure and Prof.Y.S.Rao who focused on the above given topics. 150 participants attended this workshop. Participants were elaborated with importance of research proposal along with formation of problem statement. This talk helped students to write their final year project report paper.
