Report

Event Name: AnimeToon

Date of Event: 2023-10-20

Place of Event: S.P.I.T Seminar Hall 008

In-Charge Member: Madhura Kanfode (Chairperson IEEE WIE SPIT), Dr Aarti Karande and Prof Sheetal Chaudhari (Faculty Heads of IEE WIE SPIT)

Event Theme: Anime and Cartoon theme

Duration of the Event: 1.5 hours

Conduction Mode: Offline

Objective of the Event: As the first event of WIE, the objective was to bring in nostalgia of cartoons, find other fellow students with similar interests and increase the bonding between juniors and seniors.

Brief information about the event: The event culminated with the assembling of the first-year students at the seminar hall. This event was hosted by the WIE student chapter. It was a quiz about their favorite cartoon and anime characters. Students were instructed to participate individually or make teams of 2-4 students each to participate in the competition. Each team leader or individual was given a buzzer to guess the correct answer. The event was hosted by Manavi Jhalani, the Vice Chairperson of WIE SPIT. Every correct answer carried 4 points. In case the team or individual who pressed the buzzer first was unable to answer the question or answered it out of turn, he/she was given -2 points. The first round of the event was a picture round where pictures and emojis of different characters were shown and the students had to guess the cartoon or anime series. The second round was a trivia round where students had to answer questions regarding their favorite cartoon and anime shows. The final round of the event was an audio round where dialogues and title songs were played and the participants had to correctly guess the anime and cartoon series.

Conclusion:

First-year students at SPIT participated in an unforgettable quiz hosted by the WIE student chapter, focusing on favorite cartoon and anime characters. Participants could participate individually or team up in groups of 2-4, each equipped with a buzzer to make their guesses. The event was expertly hosted by Manavi Jhalani, the Vice Chairperson of WIE SPIT. Correct answers earned teams and individuals 4 points, but pressing the buzzer too soon could cost them -2 points. The excitement began with a picture round, followed by a trivia round, and an audio round with dialogues and title songs. Team APK emerged as the champions and took home the prizes, presented by the WIE Chairperson. The event concluded with a photo booth, capturing memories and smiles.
