Event Name: Inauguration of Womens Week - Tribute to Female faculty

Date of Event: 2021-03-06

Place of Event: Google Meet

In-Charge Member: IEEE WIE-SPIT

SPIT WiE inaugurated their women's week on 6th March by organizing a virtual meet comprising of all female staff SPIT. The event began with the blessings of Maa Saraswati.

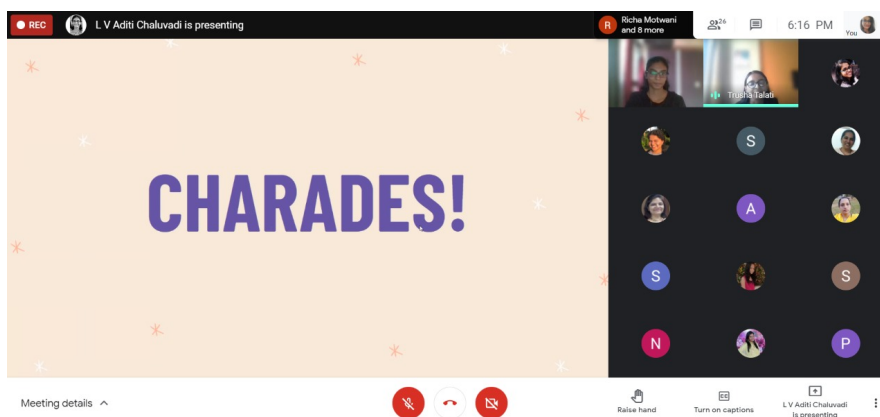

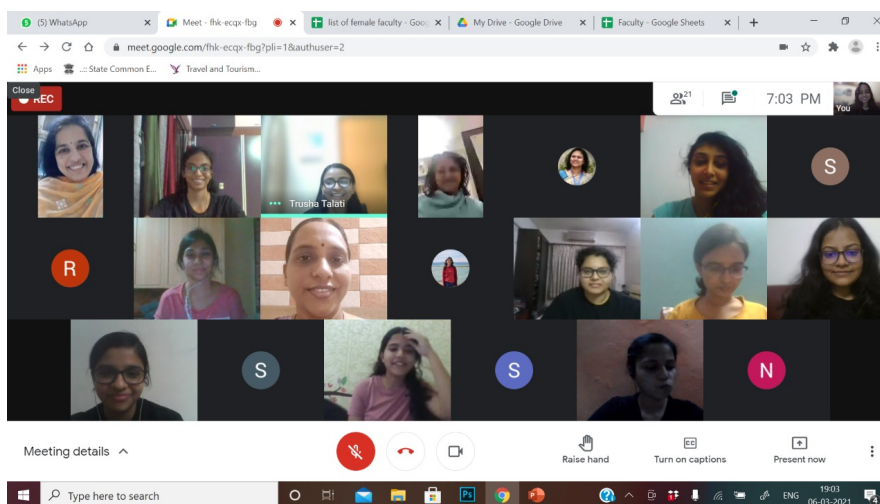

The first game was the Trivia Night: a throwback to the 1990s, wherein the teachers had to guess the name of a movie using clues like still from a movie and internet emojis representing the movie title. There were rounds of charades also!

The second game was online houseie, which was definitely the most exciting part of the evening. Although the game was slow-paced in the beginning it did have a thrilling end.

The event concluded after the teachers shared their journeys as women in science and technology.
