Date of Event: 2022-04-12

Place of Event: Kalpana - Drawing Competition

In-Charge Member: WiE and IEEE S.P.I.T. committee

The drawing making competition took over the Google forms. The participants were I was given the topic for the drawing and asked to submit it. The topics were woman-centric in nature.

Topics for drawing are

1). Google Doodle

Be it Christmas, Valentine's Day, or Independence Day, Google always has a doodle to celebrate. display.

In the same way, every year on International Women's Day, we see a new design. visualizing the importance of the day on Google's webpage. Under this theme, you have to submit such a Google doodle design. Can you get more creative than them?

2). #BreakTheBias

This women's day, the world will observe #BreakTheBias as its global theme. All of us have come across some or the other biases, in recent times or even many many years back, be it the smallest of the lot or ones that make a huge difference.

Under this theme, you can pen down your own creation in any form to depict your

We must have the idea of what and how to break all such biases.

The submissions were accepted till March 12, 2022.
