Report

Event Name: Logo Making competition and Knowing India Quiz

Date of Event: 2021-10-09

Place of Event: Google Meet and Google Forms

In-Charge Member: WIE IEEE-WDC S.P.I.T

The logo making competition took over the Google forms. The participants were given the topic and description of the logo making.

Topic for Logo making “ Advancing Technology and Engineering

Description “ Engineering has changed all the sectors be it food industry, space research or chemical industry. Design a logo which highlights the drastic changes that the advent of engineering has brought in any field of your choice

The submissions were accepted till 8th October, 2021.

The Quiz was carried out on Google meet with multiple rounds. There were 2 parts, Scientific and Cultural. The participants had participated individually or in teams of 2 or 3. The team leader of each team had to guess the answer whenever the turn for their team came. There were questions on famous Indian authors, artists, scientists, institutions, places, food etc.

There were MCQ and pictorial rounds. In the MCQ round the participants were given clues regarding the question and they had to guess from the given options. In pictorial round the participants were given a bunch of pictures and asked questions regarding it. For each question a team was given 30 seconds to answer in the MCQ round and 20 seconds in the picture round.
