Date of Event: 2021-11-20

Place of Event: Google Meet

In-Charge Member: WIE IEEE S.P.I.T

The informative webinar started at 6pm and went on till 7pm. The speaker, Mr. Vineet spoke on the importance of investing money and how one should begin doing so. He explained different options through which one can invest (stocks, SIPs etc.)

He warned about the volatile nature of stock market and how one should do their research properly before investing

He also emphasized that maybe in present investing may lead to small losses but in future investing gives fruitful returns and that everyone should invest a fixed percent of their income. He gave tips on how to manage personal finances. He urged to save a certain percent, spend a certain percent and invest a fixed percent.

Before wrapping up the session, he took time to attend to all questions posed by the audience and gave tips to everyone individually. At the end he also shared a coupon code and link to his course on investing finances.
