Report

Event Name: Security talk 2020

Date of Event: 2020-02-18

Place of Event: 008

In-Charge Member: Dr. Aarti Karande

The ABL session held on 18th February from 2-4pm was co-organised by WIE. The session was conducted by Mr. Jaywant Hargude, a retired assistant commissioner in the police force. He joined the police force in March 1979 and retired after completing 34 years of service. During his tenure in the Police Department he served at various police stations of Mumbai like detection crime branch, Mumbai, VIP security and divisional ACP as well as ACP Crime Branch, Mumbai. He is a recipient of several awards, one of them being Presidents Police Medal for Meritorious Service, 2010. His session was informative as he focused on the topic of FIR what is an FIR, and how to file an FIR. He also gave the proper instructions as to how an FIR has to be filed by the victim. For example, while filing an FIR person filing the FIR has to be given proper details of the crime committed as it will create problems if the case is taken further moved to the court. He told us the difference between cognizable and non-cognizable offence.

It was an interactive session as a question and answer round was followed after he concluded his presentation. The questions asked by the students as well as the teachers present there and their questions were answered very well by the chief guest. At the end of the session, as a token of appreciation Jaywant sir was felicitated by Prof Kiran Talele, Student Activities Chair and Execom Member of IEEE Bombay Section. Overall the discussion left the audience with a completely different perspective towards security and safety.
