Event Name: Workshop on UI UX

Date of Event: 2022-02-11

Place of Event: Google Meet

In-Charge Member: Sumedha Zutshi, Shruti Shetty

The importance of UI/UX designing in the Tech+Design industry and the huge demand for UI/UX designers in the next few years was explained thoroughly by the speaker, Mr. Devarsh Ambani.

This was followed by a Hands-On training session on the platform Figma. Figma is a powerful design tool that helps you to create anything: websites, applications, logos, and much more.

The creation of the layout of a basic website homepage with all the necessary features was clearly demonstrated by Mr. Devarsh Ambani.

Finally, there was a QnA session where the participants asked their doubts to the speaker regarding UI/UX designing along with future job opportunities and scope of designing in general.
